The Transatlantic Slave Trade

RE

Hinduism
Celebrations and Festivals

Whole class reading

Freedom

Music

Music percussion workshops

Design and Technology

Seasonal Food

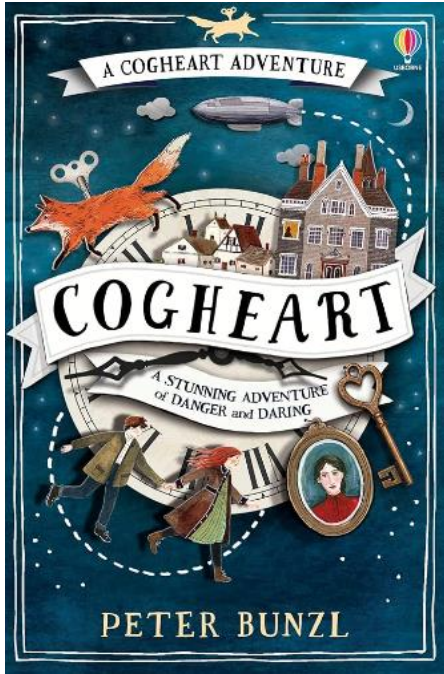

Spanish

Ask where you live

PE

Baseball
Squash

Class novel

Ways to help out at home

Reading – Read at home as much as possible, with, and to, your child. For the greatest gains, your child needs to be reading at home EVERY DAY! Reading a more ambitious text to your child helps to model reading aloud and to introduce them to more vocabulary.

Writing – Write a narrative about a journey you have taken. Check that ALL sentences are accurate.

Tea time talk (Oracy) - What happened in your class novel today?

Maths – Practise all of the times tables learned in Y4. Practise written methods for the 4 operations.

PSHE – Discuss the similarities and differences between families.

Science – Google *BBC Bitesize Life cycles* to learn all about the topic.

Day	Weekly events
Monday	J8 PE and J9 PE Headteacher assembly
Tuesday	J7 PE J8 and J9 Library
Wednesday	J7 PE and J8 PE Singing Assembly
Thursday	J7 Library
Friday	J9 PE Celebration assembly – bookmarks and achievements

Spelling

1. Contractions e.g. wouldn't, shouldn't, won't
2. Possessive apostrophe
3. Hyphens
4. Homophones
